## What's Happening in Class? -

Option number one allows your child's teacher to communicate with you regarding classroom activities. You will be able to listen to special assignment requirements or permission slips needed. Each teacher in our district has been assigned a five-digit TEC Teacher Number. Ask you child's teacher for this important number.

# What's Going On?

Check here for building event updates. If you are looking for club news, location of upcoming games, or other announcements, you will find it all under Public Events.

#### Need to Talk to the Teacher?

Now when you call the school office, and a teacher can not come to the telephone, we can transfer you to the teacher's voice mail box. Using voice mail you can leave a detailed, private message for any staff member in the district.

Teachers can also assign you an individual number that allows you to call The Education Connection and leave them a message 24-hours a day!
