

## Art Blizzard Bag

Choose (one) art activity from the list below for EACH snow day that requires a blizzard bag. Spend at least 35 minutes on each activity.

1. Figure out how to cut paper snowflakes. Turn in your best one.

2. Draw a picture of what is outside of your window.
3. Draw a comic strip about something in your life.
4. Hand write a one page report on a famous artist. (Do not type.)
5. Find an article about a current event in art, print it out, and write a one paragraph summary of it.
6. Create your own art facts/trivia game. Bring it to school so the class can play it.
