Dear Parent,

On January 8, 2002, the *No Child Left Behind Act of 2001* (NCLB) was signed into law. Section 1111(h)(6)(A) states that as a parent of a student in Struthers City Schools, receiving Title I funds, you have the right to know the professional qualifications of the classroom teachers instructing your child. Federal law requires the school division to provide you this information in a timely manner if you request it. Specifically, you have the right to request the following information about each of your child's classroom teachers:

- Whether the teacher meets the state qualifications and licensing criteria for the grades and subjects he or she teaches.
- Whether the teacher is teaching under emergency or provisional status because of special circumstances.
- The teacher's college major, whether the teacher has any advanced degrees, and the field of discipline of the certification or degree.
- Whether paraprofessionals provide services to your child and, if so, their qualifications.
- Parents have the right to request policies regarding state assessments.

If you would like to receive any of this information, please contact Pete Pirone, Superintendent or Bethany Carlson, Title I Coordinator either by phone at (330) 750-1061 or (330) 750-1065, by email at pete.pirone@strutherscityschools.org or bethany.carlson@strutherscityschools.org or in writing at Struthers City Schools, 99 Euclid Avenue, Struthers, Ohio 44471.

Sincerely,

Pete Pirone Jr.
