

Learning Recovery & Extended Learning Plan

District Name:	Struthers City Schools
District Address:	99 Euclid Avenue, Struthers, OH 44471
District Contact:	Pete Pirone Jr.
District IRN:	044859

Identifying Academic Needs

Spring 2021	Struthers Elementary School is identifying academic needs through the OIP process. This includes analyzing formative and summative assessments, DIBELS, NWEA MAP, student attendance and remote learning engagement. Struthers Middle School and Struthers High School are also identifying needs through the OIP process. Their data includes assessments, nine-week grades, LEXIA, Mathia, state assessments, end of course exams, attendance and remote learning engagement.	Title, School Quality Improvement Grant, ESSER
Summer 2021	The identification process is the same as above as well as final grades and credit deficiencies for middle school and high school students. Preschool students will be screened for kindergarten readiness and based on results, students will be recommended for Success By 6.	United Way, ESSER
2021 - 2022	Struthers Elementary School will be identifying academic needs through the OIP process. This will include analyzing formative and summative assessments, DIBELS, NWEA MAP and student attendance. Struthers Middle School and Struthers High School will also identify needs through the OIP process. Their data will include assessments, nine-week grades, LEXIA, Mathia, state assessments, end of course exams and attendance. Additionally, all levels will review student data from spring and summer programs.	Title, School Quality Improvement Grant, ESSER
2022 - 2023	Struthers Elementary School will be identifying academic needs through the OIP process. This will include analyzing formative and summative assessments, DIBELS, NWEA MAP and student attendance. Struthers Middle School and Struthers High School will also identify needs through the OIP process. Their data will include assessments, nine-week grades, LEXIA, Mathia, state assessments, end of course exams and attendance. Additionally, all levels will review student data from spring and summer programs.	Title, ESSER

Learning Recovery & Extended Learning Plan

Approaches to Address Academic Gap Filling

<p>Spring 2021</p>	<p>Struthers Elementary School is providing RTI instruction in both reading and math to at-risk students during the school day and providing after school support through the partnership with the United Way (Success After 6). Additionally, through a grant we have partnered with the Mahoning County Public Library and Campbell City Schools to provide homework monitors and tutoring in the evenings. Struthers Middle School is providing RTI instruction during the school day in literacy and after-school intervention in all academic subject areas. Struthers High School has hired a teacher to work with our credit recovery students. The guidance counselors are reviewing graduation and student at-risk plans. In conjunction with the ESC, a career counselor and high school teachers, seniors are working towards credentialing for graduation.</p>	<p>Title, ESSER, grant funding, Success and Wellness, United Way</p>
<p>Summer 2021</p>	<p>Struthers Elementary School will offer Success By 6 for incoming kindergarten students. Additionally, summer intervention will be offered for students that have been identified as the most at-risk and vulnerable. Busing and meals will be provided to students who participate. The grant with the Mahoning County Public Library and Campbell City Schools will continue through August. Struthers Middle School will offer summer intervention for the most at-risk and vulnerable students. Struthers High School will offer credit recovery. Meals will be provided to both middle and high school students.</p>	<p>United Way, ESSER</p>
<p>2021 - 2022</p>	<p>Struthers Elementary School will continue to provide RTI instruction in both reading and math to at-risk students during the school day and provide after school support through the partnership with the United Way (Success After 6). Struthers Middle School will provide RTI instruction during the school day in literacy and after-school intervention in all academic subject areas. Struthers High School is considering a credit recovery program that will be offered during the school day. The guidance counselors will review graduation and student at-risk plans. In conjunction with the ESC, a career counselor and out high school teachers, seniors will work towards credentialing for graduation.</p>	<p>Title, ESSER, grant funding, Success and Wellness, United Way</p>
<p>2022 - 2023</p>	<p>The Struthers City Schools will review and adjust our plan for the 2022-2023 school year based on student needs.</p>	

Learning Recovery & Extended Learning Plan

Approaches to Identify Social & Emotional Needs

<p>Spring 2021</p>	<p>For several years the district has been a part of the Early Warning System with the Mahoning County Juvenile Justice System and Judge Dellick. We have a universal screener and referral system in place. The EWS team meets bi-monthly to discuss student academics, discipline and attendance. Our diversion officer plays a vital role in identifying the social and emotional needs of our students. This school year Struthers City Schools hired a Success and Wellness Counselor that is responsible for all student and staff social and emotional needs. Through the OIP process, all student data is reviewed and analyzed. All three schools have implemented or are in the process of implementing PBIS. The district monitors student emails and searches with Securly and has multiple help hotlines through TEC and the state. Additionally, we have a partnership with Psy Care. The elementary staff has implemented the PATHS program and will be trained in PAX by April 1. The district has a partnership with the Mahoning County Educational Service Center and their prevention coordinator and family and community liaison to assist with programming in social and emotional needs.</p>	<p>Student success and wellness</p>
<p>Summer 2021</p>	<p>Students will be monitored through our summer intervention program, extracurricular activities as well as our partnership with Psy Care. Students will also be monitored through the Success by 6 summer program.</p>	<p>Student success and wellness, United Way</p>
<p>2021 - 2022</p>	<p>We will continue with the plan as listed above while implementing Botvin at the middle school and high school level. Additionally, we will continue with the progression and implementation of PBIS district wide.</p>	<p>Student success and wellness</p>
<p>2022 - 2023</p>	<p>The Struthers City Schools will review and adjust our plan for the 2022-2023 school year based on student needs.</p>	

Learning Recovery & Extended Learning Plan

Approaches to Address Social and Emotional Need

Spring 2021	We are addressing the social and emotional needs through the Early Warning System including discussions at the monthly superintendent meetings, administrative meetings and bi-monthly team meetings. Through the EWS process we are implementing programs as identified through the screener and referral process. Our diversion officer, Student Success and Wellness Counselor and our guidance counselors routinely meet with and address individual student needs. The elementary and middle school are in full implementation of PBIS. Social and emotional needs are also addressed through our two Psy Care counselors. The elementary school has a recovery room for immediate social and emotional needs. All elementary students participated in a six-week PATHS program.	Student success and wellness
Summer 2021	The focus will not only address academic needs, but will also address the social and emotional needs as students return to the classroom through our Success by 6 at the elementary school, WEB at the middle school and LINK at the high school. Student social and emotional needs will also be addressed through Psy Care.	Student success and wellness, United Way, Title
2021-2022	We will continue with the plan as listed above and implement the following new programs: PAX at the elementary school and Botvin at the middle school and high school. PBIS will be in full implementation at the high school. WEB and LINK will also continue throughout the year at the middle school and high school.	Student success and wellness, Title
2022-2023	The Struthers City Schools will review and adjust our plan for the 2022-2023 school year based on student needs.
